# EDITING THE INVITATIONS

## PDFs

If you have Adobe editor, use the “Tools” tab to add text and edit the invitation templates.

When **PRINTING**, select “2 copies per page” and print on higher quality paper.

Cut apart and mail in an envelope.

## JPGs

Use the images in your publishing program or on sites like [Avery.com](http://Avery.com) to design and print.

Or use sites like [Vistaprint.com](http://Vistaprint.com) to create and order higher quality printed invitations.
